

School Board Election – April 7, 2026

Our community has an important opportunity coming up! On **April 7, 2026**, voters will help shape the future of our schools by electing members to the School Board.

There are **three (3) three-year terms** on the ballot this year, with **four candidates** running to serve our district. School board members make important decisions that impact our students, teachers, and the direction of our schools.

Your vote matters.

Please take the time to get out and vote and help choose the leaders who will work to **strengthen and support the continued success of our school district.**

Every voice counts when it comes to the future of our schools and our community. Let's show up and make a difference!
